

FINN FIVE PANEL CAP - 1103.

Low profile five panel cap, flat peak.

MEASUREMENT	ONE SIZE	
Circumference (cm)	61	 <p>The diagram shows a line drawing of a five-panel cap with a flat peak. A curved arrow above the crown indicates the 'Circumference' measurement, which follows the top edge of the crown. A vertical double-headed arrow on the right side indicates the 'Height' measurement, which is the vertical distance from the top of the crown to the top of the brim.</p>
Height (cm)	9
